

# LITTLE PILLBOX HAT TOUR

## *Jacqueline Kennedy Onassis and the Preservation of Our Architectural Treasures*

From quietly influencing the powerful people she was surrounded with, to outright personal action, JKO fought to advance an enlightened cultural agenda inspired by her storied upbringing.

Join us to learn about the very important role that our most unforgettable First Lady played in defining good taste, high culture, and the importance of preserving the livability and distinctive architectural character of American cities. We will visit buildings associated with her charmed and often not-so-charmed existence, and consider her very important advocacy work in shaping and preserving New York..

Tour participants are encouraged to wear a Pillbox Hat, oversized sunglasses, or 60s/70s gear!

**Saturday June 2<sup>nd</sup>, 2018      3:30PM EST**

Tour meets in front of Pershing Square Cafe across from Grand Central Terminal, and ends at the Plaza Hotel at 768 5th Ave.
