• **ACCOMPANY IMMIGRANTS TO COURT DATES** Are you interested in protecting innocent undocumented immigrants in our community? The immigrant organizer for Long Island Jobs With Justice is Victoria Daza, and anyone from our congregation who wants to get added to the email notification for accompaniment can send her a request: [lijwj01@gmail.com](mailto:lijwj01@gmail.com) The role is to bear witness and provide a show of support from the larger community. • **SUPPORT AN RSNS B'NEI MITZVAH PROJECT!**

Greetings! The community was so generous a couple of years ago for my son Zach's Bar Mitzvah--we collected close to 1000 books and brought them to the Louis Armstrong school in Queens. Now my daughter Rianna is collecting journal books, sketch books, writing instruments (nice markers, pencils) for donation to the Jamaica Learning Center, a special school that serves recent immigrants to the US. These students have very few material resources and are working on literacy skills. We plan to bring as many of these art/writing materials to them as possible in May--if you have any such materials you'd like to donate, just text me at 646-895-2307 and Rianna will pick them up from your home or RSNS. **Donations will be collected through May 15th.** In gratitude! Dr. Laura Baecher
