The box should be dropped off at the Terrace at a mutually agreed upon date and time. **If you can take the December 19th birthday, please email Jessica (jessprince66@gmail.com)**

• **TELL CONGRESS TO LET THEM IN!** The courts have repeatedly blocked the Muslim and refugee bans, but the current Administration continues to do everything it can to stop (heavily-vetted) refugees from finding safety in this country. As the Administration tries to implement harsh policies that slam the door on refugees, immigrants and asylum seekers, we must continue to show our support and do what we can to protect and welcome them. **Congress has the authority to maintain the U.S. Refugee Admissions Program** at a level proportionate to the global crisis and in line with our capacity, history and values. Please [take action today](#) and tell your representatives to **protect the refugee resettlement program.**

• **PUERTO RICO STILL NEEDS OUR HELP!** An easy, effective way to help those devastated by Hurricane Maria is to donate via the [Greater Miami Jewish Federation Disaster Relief Portal](#). Also, [use this link](#) to call on your members of Congress to **pass a comprehensive emergency relief package NOW!**
