Attention, RSNS members, here are three time-sensitive social action updates:

- 1) RSNS is co-sponsoring a service in commemoration/protest of the anniversary of the opening of Guantanamo Bay **this Thursday, 7:30pm**, at the Unitarian Congregation on Shelter Rock. RSNS members are invited to attend. Cantor Eric will be participating in the service. See this Wednesday's social action email for more details.
- 2) Thanks to your input, our next social action meeting will be **Wednesday, January 17th, at 1:30pm**.
- 3) If you are interested in participating, as so many of you did last year, in this year's [Women's March](#) (NYC) and would like to **be part of the RSNS group**, please contact the RSNS march participation organizer, Judy Levine (jludwiglevine@gmail.com) to make a plan together! The March and rally are from approximately **11am-2pm on Saturday, January 20th**.
